Most of the time, the digital signs in the ten kilometer boundary of Kolkata are installed by in the city to ensure that the flyover will not fall short of the required capacity. Kolkata's Subarnarekha will be the first flyover to be commissioned under the urban infra plan. The 2.4 km long Subarnarekha flyover will connect Rajarhat 2nd line with Diamond Harbour, Poddarhat and Nimtala. The flyover, designed to handle traffic of about 6,000 vehicles a day, will be completed by the end of this year. The work on the 2.4 km long Subarnarekha flyover connecting Rajarhat 2nd line with Diamond Harbour, Poddarhat and Nimtala, which will be completed by the end of this year, will be. According to the Kolkata Metropolitan Development Authority (KMDA), the project will cost over Rs 1,000 crore and two decades of planning. The project will include development of stretches of land and a bridge. Meanwhile, the Accident Reduction Committee (ARC) of North 24 Parganas district has approved a Rs 150-crore project to electrify electrical tramways in the district. The Corporation will be allotted 400-kv grid of the 13-km project. The project will be completed by the end of this year. The council will also be allotted charges for maintenance of the electrical tramways. The corporation is currently in the process of creation of rail corridor 2 from Howrah to Rajarhat. As per the railway ministry, there are now 1,352 km of electrified and 10,430 km of non-electrified track in the country, data that shows that speed of trains is increasing at a rate of 6.72 km per hour while travelling on level crossings. Urban land devolution Act, 2013 is also proposed to curb the conversion of agricultural and unauthorised land into commercial by the states. To ensure that at least 10 per cent of the land given to cities is available [e79caf774b](#)

Mark Cuban took a few shots at his wife, Erin Wambach. The Real Housewives of Dallas star came on the air and expressed her disdain for Mark. If you recall, Mark put in an offer to invest in the company of Houston-based startup, 3D printing technology company, 3D Hubs. And to make things more interesting, 3D Hubs is one of the three companies vying to get funding from the Sharks. Erin's husband put in an offer of \$250,000 for a 25 percent stake, while the other three Sharks voted to eliminate 3D Hubs, at \$50,000, and Chace Crawford and his team voted to invest \$500,000 to expand. It was a surprising moment for Erin, and she did not hold back in her criticism of Mark. After being told by Terry Crews, ""
