- A New Fantasy RPG First of Its Kind We have created a new fantasy RPG based on Norse mythology that has not been seen before. The game world and its architecture each have a high degree of three-dimensionality, and the RPG features striking graphics that appeal to the player's senses.
 - A Game that Has Some Kick Left The game's main character is a war-weary elf who searches for a way to return home, and its battle scenes will feature an astonishing array of weapons and magic.
 - Character Customization Each character's appearance and the results of their actions are reflected in their clothes, hair, weapons, armor, and other items. The game also includes a multitude of various specialized accessories.
- ABOUT ELDEN Elden Developing a strong youth culture in order to create a stronger nation. We have been diligently studying the development of the Japanese game industry for 40 years and the game industry of a rising nation like Japan itself, and have been collecting various data through surveys and evaluations in order to incorporate the best elements into the development of our game while fully considering both old and new values. We are now planning to challenge our strengths to the next generation.
- TURN-BASED CONTROLS. Elder Scrolls: Legends has a series of strategic turn-based games, and the sensitivity of the controls to facilitate smooth operation of gameplay and easy understanding of the game's content is of extreme importance. We have therefore worked to minimize the time required to change the controls without any confusion and to increase the sensitivity of the controls.
- TURN-BASED CONTROLS. DISCLAIMER: We do not accept responsibility for any damage or injury that may be caused by the act of playing our games, but rather, we take it on ourselves to ensure that our games are easy to play, safe and that we are working to fix any issues that may occur.
- CONCLUSION OF WARRANTIES: 1. ELGENT STUDIOS EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF TITLE, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, THOSE INFERRED FROM A COURSE OF DEALING, USE AND/OR PERFORMANCE AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. 2
