The Elden Ring game is a fantasy action RPG that tells the story of a mortal woman Tarnished and a young man born in a faerie city Riser seeking to return the favor and repay the debts of his grandparents. Both of them have grown up in the midst of the climax of the Elden Ring War. The game's atmosphere is created by the rich background and the world map. The plot revolves around the characters' encounter with dragons and fierce monsters as they try to return the lost necklace Narset to Riser's grandparents. The game uses the seamless three-dimensional environments to enable a real sense of adventure. You can create and combine different weapons and armor to easily develop your character according to your play style. The game is a fantasy action RPG that plays anywhere, anytime, and at any distance. It has unique three-dimensional environments where you can freely change your attack method, and seamlessly connects you to other players who are online. GAMEPLAY: Story In the world of Elden Ring, your character Tarnished, a beautiful and vivacious mortal woman who is also an extremely passionate woman, grows up with an immortal faerie, Riser, who is the scion of the sworn enforcers of the Elden Ring. Riser himself had been kidnapped as a child and escaped from captivity by returning the favor of his grandparents to repay their debt, and continues to bear the strong emotions of his grandparents' suffering. While delivering the lost necklace, Narset to his grandparents who are in the Ends of the World, his grandmother is abducted by a dragon and sent to a dungeon along with Riser. Becoming a devoted figure to rescue his grandmother, he is forced to follow her to the land of the dragon. Chronological Exploring Starts: By standing near a bonfire of the Elden Ring War that is widespread all over the world, you can begin the campaign. Since the fighting between the Child Soldiers and the Elden Dragons has been repelled, the land of Elheim now only consists of the area with a settlement. Each character of the Child Soldiers who has suffered a setback has come to this place. The Child Soldiers are the members who have remained in the Elden Ring after the war, and are fighting against the Child Soldiers who have risen and the Children of Dragons. Waking the Elden Dragons: The Blood Beasts who
